# 2026 Curragh To Curragh Charity Cycle – Sat August 29th

## Check out [curraghtocurragh.ie](http://curraghtocurragh.ie)

### We are starting and finishing at the Curragh Racecourse

Visit 2 Stud Farms along the way (total is 95km) – Then stay for the races

9.30am Photos at the Curragh racecourse (plenty of parking available)

**10am** Begin cycle at 10am sharp (95km from here to the finish, averaging maybe 26km per hour)

11.30am Brickfield Stud (60km from here to the finish)

12pm Rhode Village - food stop (55km from here to the finish)

2.00pm Kildangan Stud - food stop (15km from here to the finish)

3.15pm Curragh racecourse (we plan to be there after the 3rd race, there are 8 races in total)

3.40pm Curragh racecourse - we will attempt to break a world record for the most yellow cycling jerseys

#### Also, at 11am

A smaller second group will leave the Curragh at 11am and will cycle 60km in total (a slower average of maybe 20km per hour). This group is for casual cyclists. Please choose the group that will help you to enjoy the day to its fullest.

Both groups will meet up at Kildangan Stud and then finish at the Curragh together as one large group.

Go to [curraghtocurragh.ie](http://curraghtocurragh.ie), click on the sign up button and that will bring you to the Cycling Ireland website where you can sign up.

#### Every cyclist must sign up to take part

**Sign up and start raising vital funds for a great cause – Cancer Trials Ireland**

You can join in at any of the stops or stud farms.

You can choose from 15km, 55km or 95km Eg: if you want to cycle 15km then arrive at Kildangan Stud at 1.30pm.

There will be refreshments at Rhode, Kildangan Stud and The Curragh. Please bring your own favourite cycling food & drink supplies too.

You can bring a change of clothes & towel in a bag. Showers available at the Curragh also. Stay for the racing including the Charity race over 12f.

**All in aid of Cancer Trials Ireland ([Cancertrials.ie](http://Cancertrials.ie))**

**All participants must wear a cycling helmet**
